

TOGETHER WE'RE INSPIRING NEIGHBOURLY ACTION

ACROSS WEST YORKSHIRE AND HARROGATE

Lots of people from across the area are sharing great stories with us thanks to your support. Please continue to promote the campaign messages and ensure more people download the helpful neighbour packs at OurNeighbours.org.uk

LET'S KEEP ON GOING!

"I have realised it's the 'small things, that make a big difference' - having a chat or making them smile can make someone's day.

Salman, neighbour, Batley, Kirklees

"I like the calling cards as they have encouraged residents to use them and leave their number for support."

Sandra, Nidderdale Plus Community Centre, Harrogate

"I'm looking out for my neighbours. I'm always keeping an eye and calling in on elderly people near where I live."

Stuart, neighbour, Leeds

"The campaign is making a difference to our residents here because it's really got that conversation going. We've got residents who are really looking out for each other, doing things and really engaging with the pack."

Robyn, Service Delivery Officer at Stonewater Housing, Halifax

"I try my best to look out for my neighbours (as they do me). Having them for Sunday lunch, watering their garden and even baby-sitting!. When I saw the campaign Facebook posts it made me think, 'I'm a good neighbour, but there is still more I can willingly do'."

Julia, neighbour, Huddersfield

"The campaign is making a difference because it is highlighting the important part neighbours play in people's wellbeing, especially the elderly who often live alone."

Laura, Collaborative Care Team, Airedale NHS Foundation Trust

"Looking out for our neighbours campaign supports this project as we encourage parents that attend to make connections with the elderly and vulnerable."

Deanna, Spectrum People, Wakefield

"[The campaign] shows people that you don't need to do big things to make big changes."
