

Sound pictures

r blends

This pack has pictures for all r blends e.g. br.

You can use the pictures in different activities to help your child:

- Listen between 2 sounds
- Practise saying a sound at the beginning of a word
- Practise saying a sound in a sentence

Your speech and language therapist will let you know which sounds your child is working on. You do not need to use all the pictures with your child. Just the ones you have been shown to use.

If you are not seeing a speech and language therapist, you can practise helping your child by:

- Choosing a sound that they have problems saying
- Listen for the sound that they use instead
- Do listening games between the words with these 2 sounds (you may need pictures from another sound pack for this such as b, k, g words)

There are 2 copies of the pictures for each sound. This pack has pictures that have the written word. It also has pictures with no word on them. If your child has trouble listening for the sound, use pictures with the word on. This gives them an extra clue. When your child gets better at this you can try the pack of pictures with no words.

Please see:

- Speech sound game ideas – on our toolkit for ideas of games to play
- The [Barnsley speech and language therapy Youtube channel](#) for videos on how to use these pictures
