

Sound pictures

End of words (Final sounds)

This pack has pictures for all sounds at the end of words.

You can use the pictures in different activities to help your child practise:

- listening between 2 sounds
- saying a sound at the end of a word
- saying a sound in a sentence

Your speech and language therapist will let you know which sounds your child is working on. You do not need to use all the pictures with your child. Just the ones you have been shown to use.

If you are not seeing a speech and language therapist, you can practise helping your child by:

- choosing a sound that they have problems saying
- listening for the sound that they use instead
- do listening games between the words with these 2 sounds

There are 2 copies of the pictures for each sound. This pack has pictures that have the written word on. This can help your child see the sound as well as hear it. If your child has trouble listening for the sound, use this pack. This gives them an extra clue. When your child gets better at this you can try the pack of pictures with no words. See our toolkit for this pack.

Please see:
