

Sound pictures

End of words (Final sounds)

This pack has pictures for all sounds at the end of words.

You can use the pictures in different activities to help your child:

- Listen between 2 sounds
- Practise saying a sound at the end of a word
- Practise saying a sound in a sentence

Your speech and language therapist will let you know which sounds your child is working on. You do not need to use all the pictures with your child. Just the ones you have been shown to use.

If you are not seeing a speech and language therapist, you can practise helping your child by:

- Choosing a sound that they have problems saying
- Listen for the sound that they use instead
- Do listening games between the words with these 2 sounds

There are 2 copies of the pictures for each sound. This pack has pictures without the written word on them. This pack is good to use if your child can confidently listen to sounds. If your child finds this tricky, try the pack of pictures with the written word. See our toolkit for this pack.

Please see:
