

Reservation of Powers to Trust Board and Delegation of Powers

Under the Standing Orders for the practice and procedure of the Trust Board within the Trust's Constitution, Standing Order 3.14 provides that, subject to directions given by the Secretary of State for Health or NHS Improvement, Trust Board may make arrangements for any of its functions to be carried out on its behalf by a Committee or sub-committee or by the Chair or by a director or any officer of the Trust, in each case subject to restrictions and conditions determined by Trust Board.

The purpose of this document is to describe those powers that are reserved to Trust Board (generally those matters for which the Trust is accountable to the Secretary of State or to NHS Improvement) whilst at the same time delegating the detailed application of Trust policies and procedures to the appropriate level. Trust Board remains accountable for all its functions, even those delegated to the Chair, individual directors or officers, and will put in place arrangements to receive information about the exercise of delegated functions to enable it to maintain a monitoring role.

- Part 1 – Reservation of powers to the Trust Board and Scheme of Delegation general provisions
- Part 2 – Decisions/duties delegated by the Trust Board to Committees
- Part 3 – Scheme of Delegation derived from the Accounting Officer's Memorandum
- Part 4 – Delegation of duties relating to Corporate Governance
- Part 5 – Scheme of Delegation from the Trust's Constitution Standing Orders
- Part 5 – Scheme of Delegation from the Trust's Standing Financial Instructions

Role of the Chief Executive

All powers of the Trust that have not been retained by Trust Board or delegated to a Committee will be exercised on behalf of Trust Board by the Chief Executive. The Chief Executive will prepare a scheme of delegation identifying the functions he/she will perform personally and those which will be delegated to other directors or officers. All powers delegated by the Chief Executive can be reassumed by him/her at any time. The Chief Executive is the Accounting Officer for the Trust and is accountable to Parliament for the efficient and effective use of the Trust's resources.

Caution over the use of delegated powers

Powers are delegated to directors and officers on the understanding that they be exercised responsibly.

Directors' ability to delegate their own delegated powers

The Scheme of Delegation shows the delegation from Trust Board to Committees and Executive Directors. The Scheme should be used in conjunction with the system of budgetary control and other established procedures within the Trust (Standing Financial Instructions) and any further scheme of delegation developed to support arrangements within Business Delivery Units and to support Service Line Management.

Absence of directors to whom powers have been delegated

In the absence of a director or officer to whom powers have been delegated those powers will be exercised by the director or officer's designated deputy unless alternative arrangements have been approved by Trust Board.

Matters reserved for Trust Board and those matters that are delegated by Trust Board to Committees or Executive Directors are detailed in the attached Scheme of Delegation schedule.
