## CASE STUDY

HOW YOUR  
BRASS MADE  
A DIFFERENCE

### HOW DONATIONS WA' SPENT

Urban House is an initial accommodation centre which houses asylum seekers temporarily. Last year, they received funding from EyUp! and NHS Charities Together to support their residents during lockdown.

Donations helped to fund a garden project, including growing troughs, compost, garden tools, gloves and plants. The remainder of funding allowed Urban House to buy picnic tables, playhouses and equipment for their games rooms.

The residents have been spending time painting the new benches as well as the troughs and have made the front of Urban House much more colourful and welcoming.
