

FINANCE, INVESTMENT & PERFORMANCE COMMITTEE **Terms of Reference**

Approved by Trust Board 28 June 2022

All Trust Board Committees are responsible for the scrutiny, monitoring and provision of assurance to Trust Board on key issues set out in their terms of reference and/or allocated to them by the Board. Agendas are set to enable Trust Board to receive assurance that scrutiny and monitoring processes are in place to allow the Trust's strategic objectives to be met and to address and mitigate risk.

The Finance, Investment & Performance Committee was established in 2019. The Terms of Reference of the Committee will be reviewed annually and, if appropriate, amended to reflect any changes to the Committee's remit and role, any changes to other committees and revised membership. The Finance, Investment & Performance Committee is a committee of the Board and has no executive powers other than those specifically delegated in these terms of reference and, as appropriate, by Trust Board. Committees are expected to conduct their business in accordance with the 7 principles of public life (Nolan principles): selflessness, integrity, objectivity; accountability; openness; honesty; and leadership.

Purpose

The Finance, Investment & Performance Committee's prime purpose is to provide oversight and challenge of the Trust's financial performance and financial plans to ensure the Trust and the services it provides remain financially sustainable. It will also review capital plans with particular focus on the scrutiny of major investments, including post evaluation reviews. The committee will also review the overall performance metrics of the Trust to identify key trends and issues. This may result in direction being given to other committees of the Board to carry out more detailed review and determine where corrective action needs to be taken. On behalf of the Trust Board, it will have an oversight of related risks, providing additional scrutiny of any such risks which are outside the Trust's Risk Appetite, giving assurance to the Board around the management of such risks.

Membership

The Committee is always chaired by a Non-Executive Director of the Trust and the membership consists of a minimum of two other Non-Executive Directors and three executive Directors.

Attendance

The Director of Finance and Resources is in attendance (as lead Director) at meetings. The Chair of the Trust, other Directors, and relevant officers attend the Finance, Investment and Performance Committee by invitation. The Director of Nursing, Quality and Professions Darryl will be asked to attend Committee when there are such items on the agenda that would warrant his attendance e.g. when discussing cost improvement projects or other measures to underpin our financial position. Administrative support is provided by the Personal Assistant to the Lead Director.

Quorum

The quorum will be two Non-Executive Director members and the lead Director (or nominated Director) plus one other Director. Members are expected to attend all meetings. In the unusual event that the Chair is absent from the meeting, the Committee will agree another Non-Executive Director to take the chair. In the absence of executive Director members, deputies are permitted to attend, however they will not form part of the quorum.

Frequency of meetings

For the first twelve months of its existence the Committee met on a monthly basis given the focus on the ongoing development and implementation of the financial sustainability plan.

The frequency of the meetings will continue to be reviewed by the Chair of the Committee and lead director, particularly in light of the response to the Covid-19 pandemic. The initial plan for 2022/23 is that meetings will be held monthly with the middle meeting in each quarter focusing on a specific area of performance.

It is the responsibility of the Chair to work with the Lead Director to ensure items are identified for the Committee's agenda in line with the Committee's terms of reference, its work programme agreed at the beginning of each year and the current risks facing the organisation.

Authority

The Committee is authorised by Trust Board to investigate any activity within its terms of reference. It is authorised to seek any information it requires from any employee and all employees are directed by Trust Board to co-operate with any request made by the Committee.

Sub-committees

To fulfil its duties and to ensure the Trust complies with its statutory responsibilities and duties, the Committee will receive reports from identified sub-committees.

In carrying out its work, the Committee will primarily utilise internal expertise. Where required it will seek reports and assurances from Directors and managers concentrating on the delivery of financial plans, investment criteria and over-arching Trust performance.

Relationship with the Members' Council

At the discretion of the Chair of the Committee and/or the Chair of the Trust, governors may be invited to attend meetings of the Committee to support the Members' Council in meeting its duty to hold Non-Executive Directors to account for the performance of the Board.

Monitoring

The Committee will monitor its performance both in terms of providing assurance to Trust Board and in terms of ensuring it meets the remit as set out in its terms of reference through agreement of an annual work plan, inclusion in the work plan of any items delegated to the Committee by Trust Board and through the Assurance Framework, monitoring implementation of the annual work plan, assessment of the Committee's performance through an annual self-assessment, and an evaluation of the Committee's performance through an annual report to Trust Board.

The Committee will assess, measure and evaluate its impact, both quantitatively and qualitatively, and include the outcome of this in its annual report to Trust Board.

Reporting to Trust Board

Trust Board will receive the minutes of Committee at the Trust Board meeting following the Committee meeting. The Committee will also report to the Board annually on its work and include commentary on its support of the Annual Governance Statement, the effectiveness of assurance systems, the work of internal and external audit and the annual accounting process.

All Trust Board Committees have a responsibility to ensure they foster and maintain relationships and links between Committees and Trust Board. Each Committee also has a responsibility to ensure action identified and agreed is placed within the organisation either through the Executive Management Team or other internal groups, such as Trust-wide Action Groups.
