Guess What Game

This game can be played at any point during the day. It helps children learn new words and information about words

Choose an object or item. Give your child clues about the item you have in mind. See if they can guess what the item is.

You might describe:

- Where you would find the item?
- What it is a type of.
- What its special parts are
- The sound that it begins with.

How to go on a sound walk

There's a car 'Brum
Brum'

I can hear the birds
'tweet tweet'

Can you hear the trees
blowing in the wind?

Can you hear the green
man beeping at the
traffic lights? That
means its safe to walk
across the road
