

## Children's Speech and Language Therapy How to play Happy Families (Final sounds)

The aim of the game is to get as many Happy Families as possible.

### How to play

Shuffle the cards and place in a pile face down on the table. Each player takes it in turns to pick up a card.

Player 1 picks up a card. They then name the picture. In this example the card is spell. They put the card on the table for everyone to see.

Player 2 takes a card and names the picture. If it is a matching card, they can take the matching card off the other players. In this example player 2 has 2 "spell" cards.

When the (last) card in a family is picked up, that player keeps all 3 cards. They have a Happy Family. No one can take the family of cards off them.

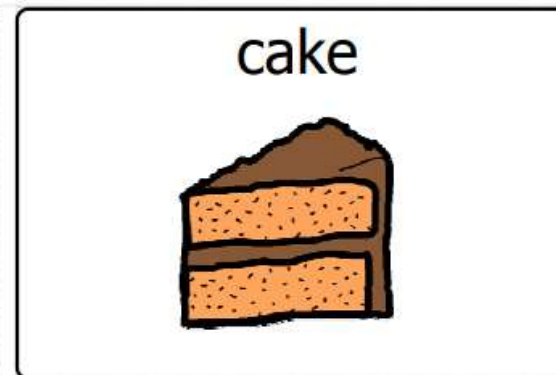

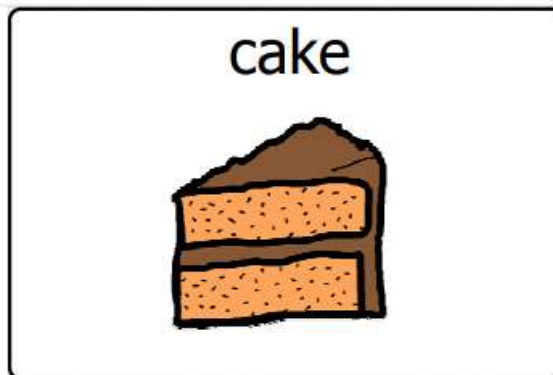

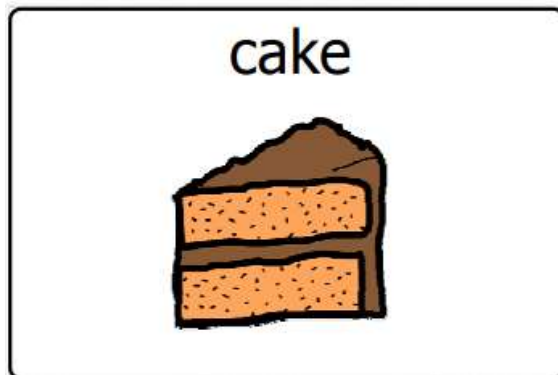

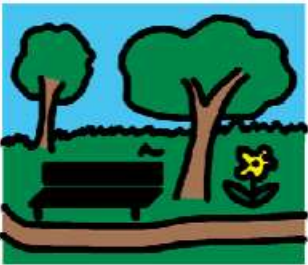

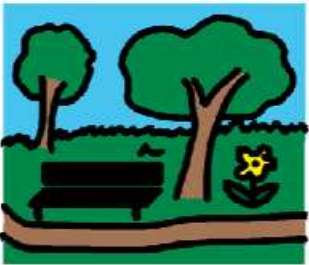

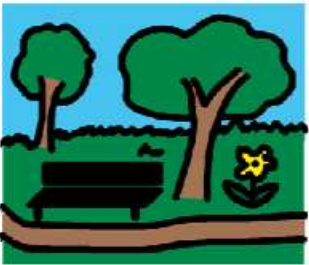

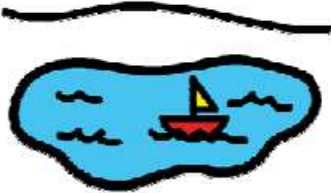

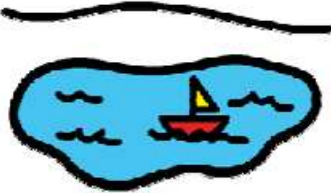

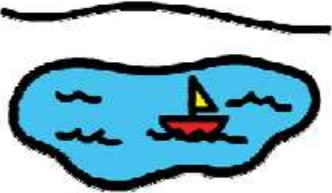

When you have a Happy Family, you repeat the word 3 times – for example – spell, spell, spell.

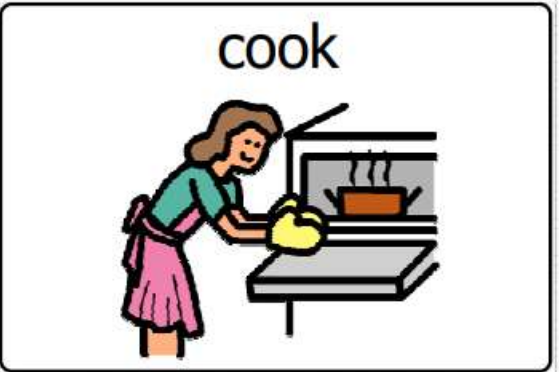

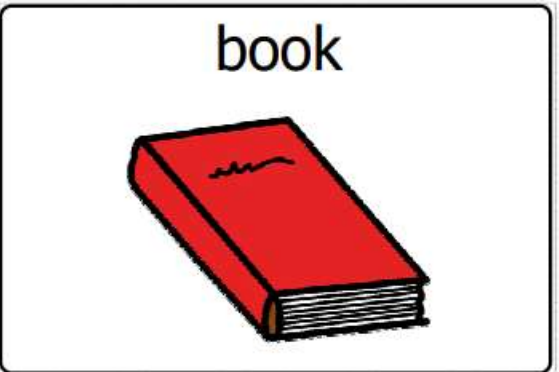

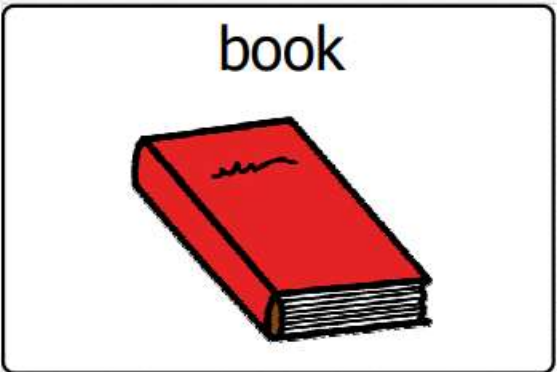

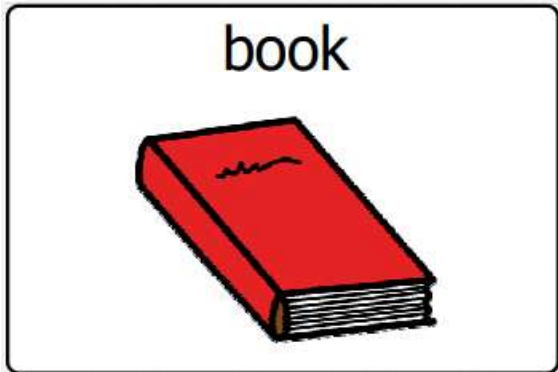

Happy families can be used when practising [speech steps](#) with your child. You can also try our [Game ideas for sound cards](#) when using happy families.

Watch our [Happy families](#) video demonstration on our channel. This pack includes sets of happy families for all sounds in all word positions.
