

PEOPLE AND REMUNERATION COMMITTEE

Terms of Reference

Approved by Trust Board on 25 April 2023

All Trust Board Committees are responsible for the scrutiny, monitoring and provision of assurance to Trust Board on key issues set out in their terms of reference and/or allocated to them by the Board. Agendas are set to enable Trust Board to receive assurance that scrutiny and monitoring processes are in place to allow the Trust's strategic objectives to be met and to address and mitigate risk.

The People and Remuneration Committee (formerly known as Workforce and Remuneration Committee) was established in June 2002. The Terms of Reference of the Committee are reviewed annually and, if appropriate, amended to reflect any changes to the Committee's remit and role and revised membership.

The Committee is a non-executive committee of the Board and has no executive powers other than those specifically delegated in these terms of reference and, as appropriate, by Trust Board. Committees are expected to conduct their business in accordance with the 7 principles of public life (Nolan principles): selflessness, integrity, objectivity; accountability; openness; honesty; and leadership.

Purpose

The People and Remuneration Committee has delegated authority for developing and determining appropriate pay and reward packages for the Chief Executive and Executive Directors and a local pay framework for senior managers as appropriate that actively contribute to the achievement of the Trust's aims and objectives.

The Committee also has delegated authority to approve any termination payments for the Chief Executive and Executive Directors. Additionally, the Committee is responsible for ratifying Clinical Excellence Awards for Consultant Medical Staff.

The Committee also supports and monitors the Great Place to Work Strategy and considers issues and risks relating to the broader People strategy.

On behalf of Trust Board, it reviews in detail key workforce performance issues, and takes ownership of workforce-related strategic risks, providing additional scrutiny of any such risks which are outside the Trust's Risk Appetite, and giving assurance to the Board around the management of such risks.

The Committee will support the development of an organisational culture where staff feel free, safe and able to raise concerns at work without fear of suffering a detriment. This includes supporting the lead Freedom to Speak Up Guardian to actively encourage and promote the Trust's commitment to the principles of Freedom to Speak Up which ensures the safety and welfare of Staff, Service Users, Carers and Visitors.

In August 2022 a decision was taken to separate the people and remuneration aspects of the Committee and the terms of reference were amended to reflect this new structure.

Membership, attendance and duties for each part of the Committee are stipulated below.

The Committee will deal with people matters at all meetings. Should any remuneration matters arise, through update or as part of an annual process they will be added to the agenda. Remuneration must be discussed by the Committee at least once a year to approve the remuneration report as part of the Annual report and accounts.
