Understanding early intervention in psychosis

Come and join us to learn more about:

- Psychosis
- What services we offer for people experiencing a first episode of psychosis
- How we offer support to people who may be showing early signs to reduce the risk of psychosis developing

Wednesday 22 January, 1:30pm - 4:30pm (drop in)
Folly Hall Mills, St Thomas Road, Huddersfield, HD1 3LT
(report to reception)

Everyone welcome. Free light refreshments available.

Please email vicky.evenden@swyt.nhs.uk or david.swinhoe@swyt.nhs.uk to show your interest in attending or to ask any questions.
