

How you can help shape our services

**South West Yorkshire
Partnership Teaching**
NHS Foundation Trust

The **Ladder of Involvement** shows the different ways you can work with us. This includes service users, carers, and people in the community.

- **You choose how to join in:** everyone is different
- **Your needs can change:** you might want to help in different ways at different times - that is okay
- **There is no “right” or “wrong” way to help, we will support you:** we want to make sure you can take part at every stage in a way that works for you

**Do you have an idea to
make our services better?**

**Would you like to work
with us?**
